

# ECHO HILL CAMP

## CAMPER PACKING LIST

The following is a list of suggested items to bring to camp. Most campers bring their belongings in a footlocker (aka trunk) or similar storage unit. The size of the storage unit should be based on your child's individual needs and it does not need to fit under their bed. There is no required uniform, so any suitable informal clothing may be used. We suggest packing enough clothes for at least seven days. Laundry is done for your child once a week. All clothing and belongings should be marked with your child's name. It is a good idea to tape a list of your child's belongings to the inside lid of their storage unit. Items below marked with an asterisk (\*) are extra/optional. To help with your packing list, we have partnered with *GrUVywear* and *Everything Summer Camp* for optional purchases of fun & functional camp gear! You can get our logo on select items too! Any purchase you make with these companies are 100% optional, however, proceeds will go to the Echo Hill Campership Fund.
